Slight changes in shade are unavoidable.

Transparent colors: the colors can vary depending on the shape and size, small size stones have a lighter color shade respect to stones medium and big.

Opal Colors: the colors may vary from colors chart because of the type of opal glass.

Colors #49-#50: the colors with natural stripes in the glass material.

The underlined colors are not compliant to a few regulations about substances with restriction or prohibited, but they are compliant to European Directive 2009/48/EC, Safety of Toys (EN71-3).

Leggeri cambiamenti di tonalità sono inevitabili

Colori trasparenti: i colori possono variare a seconda della forma e dimensione, pietre di piccole dimensioni hanno una tonalità di colore più chiaro rispetto alle pietre medie e grandi.

Colori Opal: i colori possono variare dalla cartella colori a causa del tipo di vetro opal.

Colori #49, #50: colori con venature naturali nel vetro.

I colori sottolineati non sono conformi ad alcuni regolamenti inerenti le sostanze proibite o con restrizioni, ma sono conformi alla Direttiva Europea 2009/48/EC, Safety of Toys (EN71-3).
